

COURIER POINTS.

The surest way not to find trouble is not to go looking for it.

There never was a house yet big enough to hold a good, live boy.

With patience you can teach some women to tell the truth sometimes.

Men search for wealth and find experience; women for happiness and find domesticity.

The woman who doesn't care for babies as normal as the man who doesn't care for women.

A bore is a man who wants to tell you about himself when you want to talk to him about yourself.

If they only knew it, the people who pride themselves on employing no tact simply employ bad manners.

The way to get solid with a woman when she has three callers in one afternoon is to speak of it as a reception.

A man's ideas on reform in politics from day to day are very much biased by what kind of breakfast he had.

It is when little girls begin to sniff at little boys that it is time for their mothers to begin to keep an eye on them.

When a man has reached the point where he thinks he knows all about gardening, he has got foolish, he thinks he knows something about women.

When a woman makes love to a man it is a sign that he is going to get away from her unless some of her male relatives step in.

The man who knows how to build a fire in the parlor is a deal nearer to the accomplishment of the unattainable than he ever dreams of.

When a man's appetite for dinner is not as good as usual his wife begins to fret right away about whether he is wearing the right weight of underwear.

The first time a bride ever had a quarrel with her lord and master she asks him to forgive her; after that she asks him to ask her to forgive him.

You can never make a woman understand that if there are two windows in a room and you screen one of them you don't necessarily keep out half of the mosquitoes that otherwise would get in.

The promoters of the Marshall-Miami-Sedalia Electric road were in Miami last week. Saline and Pettis county will be expected to contribute \$300,000 in cash or bonds.

Her temper is sweet, disposition amiable and kind. She has brown hair, light complexion, five feet high and will weigh 120 pounds. The fellow that wins her will draw a rich prize. Address, X. Y. Z. in care of the Herald.

The Evils of Constipation

are many: in fact almost every serious illness has its origin in constipation, and some medicines, instead of preventing constipation, add to it. This is true of most cathartics, which when first used, have a beneficial effect, but the dose has to be continually increased, and before long the remedy ceases to have the slightest effect. There is one preparation, however, that can be relied upon to produce the same results with the same dose, even after fifty years, daily use, and this is Brandreth's Pills, which has a record of over 100 years as the standard remedy for constipation and all troubles arising from an impure state of the blood.

Brandreth's Pills are the same fine laxative tonic pill your grandparents used and can be found in every drug and medicine store, either plain or sugar-coated.

Peters Shoe Co. Diamond Brand St. Louis

FIVE BIG FACTORIES.

"I have been trying to get some firm here to put in a line of your shoes, as we have a hard time getting a good shoe in this town. I believe if you will take the matter up, you can arrange with Messrs. — & Co. to handle 'Diamond Brands.' I have no interest in the matter only that I want to buy a good shoe once in a while. You will remember that I handled your shoes when in business in Quana, and know what they are." REV. WALTER GRIFFITH, Silvertown, Texas.
